LEARN FROM SENIOR FACULTY

The majority of Executive MBA courses are taught by our most senior faculty. As researchers, consultants, and entrepreneurs, our faculty's exceptional business expertise helps connect curriculum to current business challenges, allowing students to immediately apply what they've learned in the classroom to their current roles.

BENEFIT FROM ACCESS AND SUPPORT

Your learning doesn't have to end in the classroom. Michigan Ross faculty are known for their support and accessibility, and frequently talk business with Executive MBA students outside of class.

One of the reasons our EMBA students come to Ross is because they envision an opportunity to become change agents within their organization. EMBA 632 is all about how to set them up for success in this endeavor of designing and implementing strategic change. I find it immensely rewarding to leverage the diversity of experience and aspirations in our EMBA cohort to make this course vivid and practical.”
